

M.I.M GROUP

Making | International | Manageable

M.I.M Portfolio

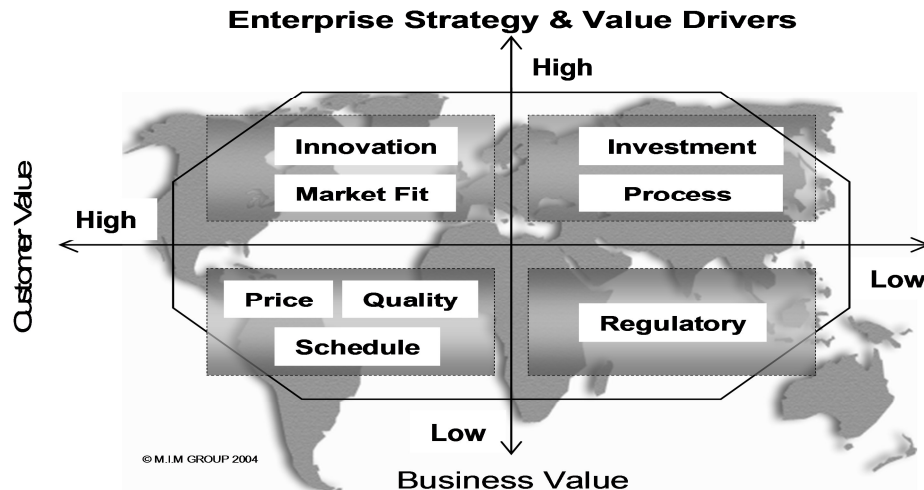

DELIVERING EXCEPTIONAL RESULTS

Bringing Clarity, Action, Resolution and Results

The **M.I.M GROUP** is a boutique advisory practice that assists organizations in addressing the complexity and challenge of global enterprises. By integrating industry-leading expertise, research, insight and seamless execution, the Group offers hands-on planning and execution support across all stages of the globalization lifecycle.

With hands-on in-country expertise with business start-up, market, finance, labor and legal issues across geographies, we work in Europe, the Near East, Asia Pacific, Latin America and domestically to lead or coordinate international/domestic initiatives - cost effectively for optimum return.
